TEA MARKET REPORT – Sale 31 held on Tuesday 6th December, 2016

CTC LEAF: 45,814 packages of teas on offer met with a fair demand.

BROKENS: BOPs met with fair demand but rates were lower by Tk.2/- to Tk.4/- whilst smaller types met with an improved demand but were slightly easier. These could be quoted between Tk.180/- and Tk.183/-. Medium varieties saw a further decline with fair withdrawals. Plain and poorer types generally remained unsold.

FANNINGS: Good liquoring Fannings were a good market and were generally firm and these varieties were selling between Tk.182/- and Tk.185/-. Medium varieties met with fair interest but eased in line with quality. Plainer descriptions were mostly neglected and were withdrawn,

CTC DUST: 6,268 packages of teas on offer met with a slightly improved demand with prices following quality. Select few best liquoring varieties were a

dearer market following competition. Good liquoring varieties sold at around last levels with the plainer varieties easing in line with quality. Blenders lent more support with some interest from the Loose tea buyers.

COMMENTS Better liquoring types were more sought after this week as Blenders were more active for these varieties. Plainer types continued to meet with very limited interest resulting in heavy withdrawals. Loose tea buyers were very selective.

Reprints which constituted a large portion of the catalogue generally remained unsold owing to lack of bids.

Good liquoring Dusts were a dearer market

Our catalogue (Sale 31) Avg: Tk 186.78, sold 68.4% & (Sale 30) Avg: Tk 186.82, sold 66.7%.
