CTC LEAF: 46,608 packages of tea on offer met with a fairly strong demand.

BROKENS: Well made good liquoring Brokens were a good market and mostly sold at around last levels. Mediums were a good market and were mostly firm in line with quality. FANNINGS: Well made good liquoring Fannings once again met with a strong market and were fully firm to slightly dearer. Medium types met with a good demand and sold at around last levels. BLF teas continued to meet with a good demand and were fully firm over last.

DUST: 10,590 packages of tea on offer met with a good demand. Select few well made good liquoring teas met with good competition and fetched attractive price. Other good

liquoring teas and Medium teas also sold well at around last levels. Plain/BLF Dusts were an easier market with fair withdrawals. Blenders lent strong support with fair interest from the Loose tea buyers.

COMMENTS: Well made good liquoring types continued to attract good competition and were well absorbed at firm to dearer rates. However, some end of season quality teas on offer met with a limited demand and witnessed heavy withdrawals. Blenders once again operated in good strength for all varieties. Loose tea buyers operated selectively.

Good liquoring Dusts were a strong feature of the sale.
